What are UNICEF Clubs?

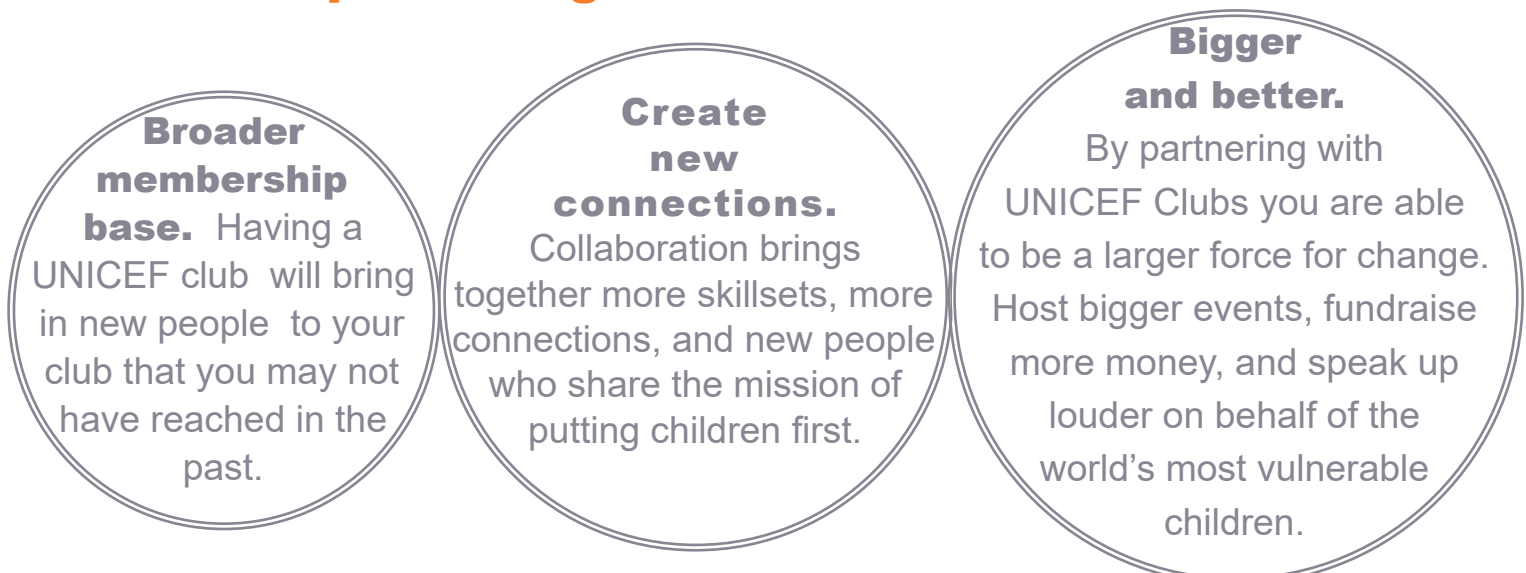

The UNICEF Clubs program is the youth led program of the UNICEF UNITE grassroots movement rooted in a belief that everyone in the United States have a vital role to play as the voice for children everywhere. UNICEF Clubs partner with UNICEF USA to activate their local community by advocating, building community, fundraising, and speaking out for UNICEF's child survival work in over 190 countries.

It is UNICEF USA's goal to empower youth in the United States with the resources and skills to be effective global citizens - thinking globally and acting locally for the world's most vulnerable children..
